**RE: FAXCOP**

Wednesday 23<sup>rd</sup> January 2008

Dear Mr McFeeters,

I just wanted to congratulate you and encourage you in your business concept of developing the FAXCOP which you kindly installed in my constituency office in Newtownards.

As the MP for the area, it is always encouraging to see local entrepreneurs develop and produce their business ideas for the local and international market and I have no doubt that your FAXCOP product will be very beneficial in many offices and businesses around the world.

I congratulate you for developing an idea which will have a significant impact on the amount of paper and ink wasted by junk faxes which are sent to fax machines en masse. I wish you and your company well and if there is anything I can do to assist you please do not hesitate to contact my office directly.

Best wishes.

Yours sincerely,

A handwritten signature in black ink that reads "Iris Robinson".

DUP Member of Parliament for Strangford
